The President's Slate

With the officer elections completed at our last general meeting, another year has passed for our club. I'd like to thank all the officers for their time and efforts over the past year and welcome Michelle Russell and Peggy Petscheck back as new officers once again. We are still looking for someone to fill the entertainment coordinator's position and continue to keep our meetings interesting. If any of you are interested, please let me know.

The beginning of our club year brings with it one of our signature events, the Underwater Easter Egg hunt and pancake breakfast. We have already had notices of attendance from Power Scuba and the Orange County dive club so this year's event is shaping up to be fairly large. The officers have already committed to providing extra food for the occasion to ensure everyone is fed, most importantly the Lifeguards. Information and diving requirements for the event can be found in the newsletter or on our website.

After the food is gone and all the club gear has been packed away we will hold our annual yearly planning meeting (usually at about 12:30 or 1:00 PM). The meeting entails just what it says, a chance to plan events during the remainder of the year including dives, bar-B-Qs, movies on the beach, Scuba Santa, Parade of Lights, etc. All club members are welcome to stay and participate. While dive and event suggestions are welcome all year, this is the best time to put something on the yearly schedule so if anyone has an idea, please let us know. See you at the club meeting.

Scott Brown, President

Marie Calender's, 6950 Alvarado Canyon Rd, San Diego (619)465-1910

**San Diego Dive Club
Annual Underwater Easter Egg Hunt
Free Pancake Breakfast
La Jolla Shores
Saturday, April 7th, 2012
8am until noon**

Once again the Easter Bunny has been seen SCUBA diving near the underwater canyon at La Jolla Shores. He always likes to get a head start for the Annual San Diego Dive Club Underwater Easter Egg Hunt and Pancake Breakfast.

All divers and their families are invited to participate in the Easter Egg Hunt and share a great breakfast of pancakes of all shapes and types, served piping hot, eggs, sausage, bacon and topped off with hot coffee, cocoa and juice. Breakfast will be served from 8:00 AM to 12:00 PM.

The Underwater Easter Egg hunt will take place near the Marine Canyon at La Jolla Shores. The briefing for this event will take place at 9:00 AM with all divers expected to hit the water by 9:30 AM. All divers must check back in and eggs turned in for counting by 11:15 AM. Prizes will be given to the buddy teams that find the gold, or the silver, or the most eggs. One prize level only per dive team.

While the divers head down to the water the younger attendees will be treated to a Children's Easter Egg Hunt, this will take place at 10:00 AM at Kellogg Park.

To participate in the dive, you must be a certified diver, have signed a release and be accompanied by a dive buddy. If you do not have a dive buddy, we will attempt to pair you up with a suitable buddy. Depending on the ocean conditions, this dive is normally an easy to intermediate dive.

P38 and YUKON Dives Sat. April 14

For Advanced/Deep Divers Only! The Depth of the P38 is 130ft. Not to be fooled around with! Not for beginner divers! You should have many dives below 100ft to do this dive. I also recommend having a pony bottle for this dive. 80cuft tanks are provided, but if you have a larger tank, I recommend using it. Know your computer and obey it to prevent going into Deco! This is a 10 minute dive by the PADI Table. Now if all that doesn't scare you off and you'd like to dive, this is like **the holy grail** for recreational divers in this area. This trip doesn't come along very often. There will be a nice long surface interval followed by a dive on the Yukon with max depth of 100ft

San Diego Council of Divers General Meeting March 12, 2012, by Barbie Lass, Community Rep

The March meeting featured an entertaining and informative presentation by Capt. Cary Humphries, of Horizon Charters and Eco Adventures, including photos, videos and information on local and Guadalupe Island sharks, some rules that apply to travel in Mexico, including the Great White cage viewing trips offered on the Horizon.

Council business and information included the following:

The Three R's program is scheduled for this summer, for 8 sessions from June through September, with Mark Brown and Mike Russell continuing as instructors. The schedule should be released by late May and SDDC will host at least one of the sessions.

David Pierce will release the Beach Clean Up schedule after the 3R's schedule is complete, and notifications will be sent via SDDC e-mails and Facebook site. The Council has now is named on the Adopt a Beach sign posted at Children's Pool.

A July hearing before the Coastal Committee will include discussion of joint vs. sea only use, and the rope barrier. Please see SDDC Facebook page for more info. and a petition.

Approximately 10 volunteers, and the Council of Divers and Friends of Children's Pool are named in a suit by the APRL, claiming unfair business practices. Please contact the council for donations and fundraising ideas at www.sddivers.com.

Council of Divers meetings are held the second Monday of every month, 6:30 pm at the La Jolla Brewhouse, 7536 Fay Avenue, in La Jolla. Join us for the next meeting on April 9th, and make a difference in the diving community.
