PRESIDENT'S MESSAGE

Welcoming Fall and Winter

This month the Secretary is helping out the President. I am giving him a much needed break from writing as he is still busy setting up our annual 3-day trip with the Horizon. Are we all looking forward to Jimmy Buffet Night?! Margaritas, hooray!!!!

On September 8th we had our last Carne Asada and Movie on the Beach shindig for the summer. Diving, snorkeling, Carne and Pollo Asada were the order of the day. There was quite a turnout. We switched from our usual Disney movie to Ghost Rider. The kids were a little awed but the adults were definitely entertained. Our thanks to Steve Anderson for putting up his inflatable screen as well as all the fantastic sound system. Also thanks to Jim Shrove for the really awesome San Diego Dive Club cake he had made. It

had our logo on it and it tasted really good!

We all enjoyed diving and snorkeling with the leopard sharks on Saturday. There was a little more wave action than anticipated so the sharks were not quite as plentiful as the weekend before. Being a San Diego native, it was the first time I swam with the leopard sharks. I hope you all get a chance to swim with them next summer. There were also Angel sharks and quite a few small fish to behold.

Summer has come and gone so now we have the cool fall to look forward to as well as Halloween, Thanksgiving and (always too soon!) Christmas. Our club has many events planned for this coming season. For Halloween, Steve Anderson is decking his house out with

spooky thrills. Be sure to drive by! In November some of us are heading off to Disneyland with our mask and snorkels in tow to spend a couple of days being a kid again. For December, we have our annual trip on the Ocean Odyssey for the San Diego Bay Parade of Lights and the Underwater Santa Shoot at Sport Chalet. Check out our calendar for dates and times.

Scott and I want to thank all of the members of the Dive Club for your continued support through the years. Our club has the wonderful and unique designation as a diving club and social club. Thanks, always, to our officers and their tireless efforts to provide a great service for our members.

*See you under the water,
Laura
Secretary,
sleeping with the President*

Laughlin October 26-28

Didn't make the Roatan trip?

Want to get away? Do a little diving? How about a little gambling? Well, you can do it all in Laughlin. Laughlin is about 340 miles/5 hours from San Diego. Dates of Oct. 26-28

Come drift dive the Colorado River, then search for the sunken school bus, van and boats in Lake Mohave. In the evening after hitting the buffet try your hand at Black Jack, roll the dice at the Craps table, pick your favorite number at Roulette, or drop some coins in the Slot machines. Not a gambler? Take a stroll along the River Walk, take in a movie, do some shopping, or lounge around the pool with your dive buddies. Maybe we can all get dressed up for Halloween.

The drift dive is early Sat. morning. We need to be on the water by 6:00, 6:30 at the latest. The reason is to be out of the water by the time the dam is opened and the flow of the river increases. You may want to bring a Lobster bag. It is amazing what you can find in the river. People lose/throw all kinds of stuff in there. The visibility was very good when we did this in March 2006. Every buddy team is required to have a float/dive flag for safety.

After the morning dive it's back to the hotel for a shower and breakfast. Depending on how many tanks you bring and how many dives you would like to do, you may need to get tanks filled. There are no dive shops close by, but there is a shop in Kingman about 40 minutes away.

The afternoon dives will be in Lake Mohave. We'll head to Katherine's Landing, which is in the Lake Mead National Recreation Area, to search for the school bus and van. Second dive we look for the sunken ships (boats). There is a fee to enter the park, \$5 per vehicle or if you have a current National Park Pass \$0. Visibility here was about on par with La Jolla shores, 15ft. being pretty good. Again, all buddy teams need a float/dive flag.

After the dives it's back to the hotel to get cleaned up for the evening.

Diving at the Children's Pool when Seals are present

You should follow the recommendations of NOAA Office of Law Enforcement here in San Diego and the Lifeguards:

1. You should enter the water as far away from seals as is practical.
2. If seals are completely across the beach, you might consider coming back on a sunny day because the seals will be few then.
3. Walk to the water with a slow steady pace, with arms and fins tucked in.
4. Do not stare at the seals, as eye contact is discomforting. Keep your back turned when possible.
5. Do not stop at the water's edge and fool with your gear; have all that done, or do it in the water.
6. The city has taken down the rope. Children's Pool is a public beach. There never was any city, state, or federal law against going into Childrens Pool. If somebody challenges you, say nothing. Their intent is to draw you into an argument and spoil your dive, maybe videotape you blowing up. Nobody can touch you.
7. Swim out from the Pool in the middle of the exit area, where a rip tide will help you out.
8. Return to the Pool as closely to the sea wall as you can, so the rip tide and surge will carry you (fling you on a bad day) into the pool.
9. You may spear fish there or bag lobsters in season, you should have your fishing license (and lobster gauge) with you.

* You may also access the same area through Shell Beach to the North. There is a longer swim involved. Unless conditions are unusually calm, it is an advanced dive as well. Also note, persons who try to intimidate beach users are plentiful on sunny weekends. On a weekday there is only one person there, and there will be nobody there at 8 in any morning.

If you have been harrassed, scared or attacked while at the Children's Pool please send an email describing the situation to:

Harassed@san.rr.com

San Diego Dive Club Officers' Meeting Wednesday Oct. 17th

Have some ideas and suggestions on the direction the dive club should be heading? Come share those ideas with the club officers. All members are encouraged to participate in the San Diego Dive Club Officers' Meetings. The Officers' Meetings are usually held at **6:30 PM** on the **3rd Wednesday** of each month at :

Marie Calendar's, 6950 Alvarado rd. La Mesa

The officers of the club try to anticipate the needs, desires and best interests of the club, but remember that this is your club too, and we need your new thoughts and ideas to keep the club fun and exciting.

Photo of the month contest

The club officers have come up with a friendly contest we all can enjoy. Here's how it works: Take an underwater picture, frame it for easy display and set it up at the meeting with all the other entries. Everyone in attendance votes for their favorite picture and the winner receives five raffle tickets. The intent here is to involve as many people as possible in fun and entertainment.

Even a friendly contest has rules (not guidelines) and we'll all be operating under the honor system. Underwater pictures only, taken during the time since the last meeting. One picture per person per month. Digital or film. Display your picture as you shot it with your camera and lighting settings. Cropping is OK but please refrain from zooming in on your subject or using Photoshop before printing. One vote per person and you must be present at the meeting to vote. Each month's winning picture may be displayed at the following month's meeting as the previous month's winner.

We have several excellent photographers within our membership and as this contest continues, I hope to see the photo display table crowded with stunning pictures for all our viewing pleasure.

Included in the trip:

- At least 3 dives in locations surrounding the Coronados Islands
- Snacks, lunch, and more snacks after each dive.
- Onboard aluminum 80 tanks

To make things easier for the charter and myself, all checks will be made out to Jeremy Burns. I will take cash or check as payment. I have not deposited any of the previous checks due to the trip cancellation. Please contact me for all money questions and I will be happy to answer as soon as possible. After September 8th, the trip will be open to all club members.

Once your reservation is received, I will send you waiver information to fill out and either return to me or the charter on the day of departure. This will make the first hour of the morning a little more bearable.

Once again, thank you all for your patience and enthusiasm, and I look forward to diving with you all.
